

DavkaWriter Dimensions II
© 2005 Davka Corporation

Introduction

Expand DavkaWriter with this essential collection of Hebrew and English texts in DavkaWriter format! Included are:

- **Tanach** with English translation
- **Talmud with Rashi** — Entire Hebrew/Aramaic text of Talmud with Rashi
- Hebrew text of **Rashi** on Chumash, with nikud
- Hebrew text of **Rambam's** Mishneh Torah
- **Machzor for Rosh Hashanah and Yom Kippur** in Nusach Ashkenaz and Nusach Sephard, in Hebrew with nikud
- **Zemirot** — Hebrew text of Shabbat songs with full nikud
- **Passover Haggadah** — Hebrew with full nikud and English translation by Rabbi Zev Shostak
- **Otzar Dinim U'minhagim** -- Hebrew text
- **Kitzur Shulchan Aruch** — Hebrew with nikud
- **Three Hebrew fonts** from the Guttman Font Collection

System Requirements

PC with Windows 98/ME/NT/2000/XP and DavkaWriter Platinum 4 or 5

Installation

Insert the DavkaWriter Dimensions CD. Installation will begin automatically.

Using and accessing the texts

The texts will appear in DavkaWriter's "Tools" menu under Text Library. View the listing of available texts in Hebrew or English by clicking on the "E" or Hebrew "Ayin".

Technical Support

Davka Technical Support can be reached at 773.583.5510 from Monday through Thursday, 8:30 AM to 4:30 PM Central Time, and Fridays from 8:30 AM until 1:00 PM Central Time. Alternatively, contact the Technical Support Department by E-Mail at support@davka.com, or by fax at 773.583.5456.

Licensing Agreement

The files on this program are licensed to the purchaser on an “as-is” basis. While the publishers have made every effort to avoid errors, they will not be held responsible for any loss or damage, incidental or consequential, resulting directly or indirectly from the use of this program. In any case, the sole and total liability of the publishers shall not exceed the sum paid for the program by the purchaser. The texts on this CD may be used by the purchaser for personal or family use. If the purchaser is an institution, the texts may be used by that institution for its own needs. However, any use of the texts in the publication of materials for sale requires written permission from the Davka Corporation. Preparation of DavkaWriter Dimensions has entailed considerable effort and expense. It is not shareware, and therefore should not be used other than by the purchaser.

Pages printed from these files are considered *Shaimot*, and should be treated as such.
